ZF Design Solar Panel Battery for Unite

| Battery Specification | |
|------------------------------|----------------------------|
| Material | Polymer battery |
| Rated Capacity (AH) | 16AH |
| Charge Voltage (V) | 5V/8.4V/9V/12V/16V/19V/21V |
| Weight (g) | 600g |

| Solar Panel Specification | |
|----------------------------------|----------------|
| Model | 26W/16V (3pcs) |
| Output Voltage | DC 12-18V |
